ASPIRING DATA ENGINEER | COMPUTER SCIENCE STUDENT

Mansoura, Egypt | +20 106 341 1248 | elromy73@gmail.com

ABOUT ME

Third-year Computer Science student (expected graduation 2028) focused on **Data Engineering**. I build and study **data pipelines (ETL/ELT)**, **data models**, and **SQL / NoSQL** databases using Python and SQL. I completed *Python for Data Engineering* on DataCamp, I'm progressing through the DataCamp Data Engineer career track, and I'm enrolled in the **Digital Egypt Pioneers Initiative (DEPI)** Data Engineering track. Fast learner with strong problem-solving skills and a genuine interest in building reliable, data-driven systems. Looking for internship and junior opportunities in data engineering.
